Initial works will begin at **Liffey Valley Shopping Centre** and will take place adjacent to the retail park between McDonald's and B&Q along L1040. ### When will works begin?

Works are expected to begin in **May 2026** and are expected to continue until the end of Q4 2026. A map of the works area is provided below.

## How will access be maintained?

Access to homes and businesses will be maintained throughout the works. Where temporary changes to access are required, residents and businesses will be notified in advance.

## Hours of operation

Working hours will be between **07:00 and 23:00, Monday to Friday, and 08:00 to 16:30 on Saturdays**. Some activities may need to take place outside these hours.

The project team will continue to update the public on ongoing works in the area as the project progresses. The team will notify you in advance of any night-time works taking place.

## Temporary Traffic Management Measures

Traffic management measures will be put in place to support the safe and efficient delivery of the works. These will be introduced in phases and carefully planned to protect road users, pedestrians, and site personnel, while minimising disruption to traffic as much as possible. Please see examples of measures listed below:

- Temporary traffic management will be in place on **Fonthill Road** and **Bóthar An Life**. Footpaths and cycle lanes will be temporarily closed in short sections on one side of the road at a time to minimise disruption and maintain safe access.
- **Bus stop 7940** will be temporarily relocated between Fonthill Road and Bóthar An Life.
- Temporary **road markings** will be in place.
